## **DON'T FORGET!**

Start bringing your Blessing Bag items to the church by October 4<sup>th</sup>!

## Christ in Our Home

The new October, November, December Christ in Our Home devotional booklets are in. Please stop by the church and pick one up if you're out running errands.

## Monthly Newsletter

A smaller version of our former newsletter will be sent out every month again. Please let the office know if you have anything that you would like to put in the newsletter or any ideas of what you would like to see in it. It will be emailed, and a few mailed, at the end of each month.

## Blessing Bags

It's that time of year again! Our September "God's Work, Our Hands" project is a bit delayed. This year we are making 100 bags which will focus more on hygiene and health for the homeless. Some of the items we will be collecting are: masks, hand sanitizers (mini size), Band-Aids, washcloths, dental hygiene, soap, shampoo/conditioner, comb, Chapstick, water, pen and paper pads. This year we are also going to make half of the bags specifically for women, and therefore we will need donations of small feminine pads that we can include. Please feel free to begin to collect such items and drop them off at the church as you are able. Lisa will keep a list of who brings what and what more will be needed. The deadline will be October 4<sup>th</sup>.

No Birthdays or Anniversaries this week.
