Church Cleaning

There are various small cleaning projects that need to get done in the church for which the cleaning crew are not responsible. If you would like to take on one of these projects, please let Lisa know to make arrangements for a good time. Here is a quick list: stain on carpet in sanctuary; spill on concrete by east side glass doors; deep clean kitchen; ac/heater vents; windows on all areas outside and some inside. Most supplies are already at the church.
